LinHES - Bug # 161: mkv videos do not play

Status:	Closed	**Priority:**	Normal
Author:	mihanson	**Category:**	
Created:	01/25/2009	**Assignee:**	cecil
Updated:	11/10/2011	**Due date:**	12/31/1969
Description:	mkv video (x264) does not play using the Internal player (mplayer or xine yet to be tested). Same file played fine in R5.5		

History

01/25/2009 07:27 pm - mihanson

correction: It will not play with mplayer. Internal or xine tbd.

01/25/2009 11:03 pm - cecil

The mplayer in R5.5 was my tweaked version w/ a few special patches. I'll try and look into this, this week.
