

LinHES - Bug # 322: No serial irblaster support out of the box for 6.00.07

Status:	Closed	Priority:	Normal
Author:	bzImage8	Category:	
Created:	04/11/2009	Assignee:	
Updated:	04/11/2009	Due date:	
Description:	Just installed LinHES 6.00.07 and there is no serial blaster support (i have a ttyS0 iguanaIR serial blaster), without this there will be no way to change the channel on many cable/satellite systems.
