

LinHES - Bug # 369: Recordings owned by root

Status:	Closed	Priority:	Normal
Author:	mihanson	Category:	
Created:	06/01/2009	Assignee:	
Updated:	06/06/2009	Due date:	
Description:	I noticed a lot (but not all?) of my tv recording in /myth/tv are owned root:root. Is that right? I recall them being owned mythtv:mythtv in the past.		

History

06/05/2009 06:02 am - craigtv

This was also reported in task 248. I posted a workaround there:
