

LinHES - Bug # 369: Recordings owned by root

| | | | |
|---------------------|--|------------------|--------|
| Status: | Closed | Priority: | Normal |
| Author: | mihanson | Category: | |
| Created: | 06/01/2009 | Assignee: | |
| Updated: | 06/06/2009 | Due date: | |
| Description: | I noticed a lot (but not all?) of my tv recording in /myth/tv are owned root:root. Is that right? I recall them being owned mythtv:mythtv in the past. | | |

History

06/05/2009 06:02 am - craigtv

This was also reported in task 248. I posted a workaround there:
