

LinHES - Bug # 386: lircd.conf.fusionHDTV update

Status:	Closed	Priority:	Normal
Author:	brfransen	Category:	
Created:	06/12/2009	Assignee:	jams
Updated:	12/25/2011	Due date:	12/31/1969
Description:	Attached is a diff that adds some buttons to the lircd.conf.fusionHDTV for users that use the dvico IR receiver and have a universal remote that can be programmed for additional codes.		

History

12/25/2011 03:10 pm - jams

- Target version changed from 8.0 to 6.00.04
