

LinHES - Bug # 391: Correct program paths in RRD

Status:	Closed	Priority:	Normal
Author:	mihanson	Category:	
Created:	06/16/2009	Assignee:	jams
Updated:	12/25/2011	Due date:	12/31/1969
Description:	rrd_hddtemp.pl has the wrong path for hddtemp. Current path: /usr/local/sbin/hddtemp Correct path: /usr/sbin/hddtemp rrd_disk.pl has the wrong path for iostat. Current path: /usr/local/bin/iostat Correct path: /usr/bin/iostat		

History

06/16/2009 04:10 pm - jams

that might explain why some of the graphs came up blank =)

06/17/2009 10:41 am - jams

paths have been corrected.

06/17/2009 11:21 am - jams

- added usage script to cron
- removed NAS from index.html

This should fix all the problems.

12/25/2011 03:10 pm - jams

- Target version changed from 8.0 to 6.00.04
