

LinHES - Bug # 453: Starting up Firefox give a XPCOM error

Status:	Closed	Priority:	Normal
Author:	jastreet	Category:	
Created:	07/26/2009	Assignee:	
Updated:	07/28/2009	Due date:	
Description:	I recently did a Pacman system upgrade and now find that Firefox will not start and get a "Couldn't load XPCOM" error. I did reinstall both Firefox and XULRUNNER both of which were referenced by a google search as a cure, with still no joy.

xulrunner needs to be rebuilt. I am in the process of rebuilding it. It should fix firefox.

The updated xulrunner is now uploaded.

Can someone please test and report back.
