LinHES - Bug # 577: DVD transcode tables unpopulated

Status:	Closed	**Priority:**	Normal
Author:	manicmike	**Category:**	Packages: Core
Created:	11/09/2009	**Assignee:**	cecil
Updated:	04/13/2010	**Due date:**	03/02/2010
Description:	The dvdinput and dvdtranscode tables are unpopulated by default, and have been for 'a while' :-)		
	Please modify install script to populate these tables during db initialisation. A copy of the sql (gzipped) from an old Knoppmyth is attached.		
	Mike Williams
