Updated:	01/12/2011	Due date:	01/10/2011
Description:	I would like a button added to the Media Library that says "Go to XBMC" The following file needs to be edited usr/share/mythtv/themes/defaultmenu/library.xml Code: <button> <type>MENU_XBMC</type> <text>Go to XBMC</text> <action>EXEC /usr/share/xbmc/xbmc.bin</action> </button> This allows XBMC to run from a button inside of Myth
