

## LinHES - Feature # 763: Install to usb drive

<b>Status:</b>	Closed	<b>Priority:</b>	Normal
<b>Author:</b>	ywd	<b>Category:</b>	Installation/Upgrade
<b>Created:</b>	03/09/2011	<b>Assignee:</b>	
<b>Updated:</b>	08/05/2011	<b>Due date:</b>	08/05/2011
<b>Description:</b>	Fails to boot after fresh install of LinHES 7.00.02 onto usb drive.  Seems as the installed kernel has no usb support. A new kernel image made with "usb" in the "HOOKS" line in mkinitcpio.conf or mkinitcpio.conf.larch gets passed the initial boot error.
