LinHES - Feature # 869: Use Plymouth instead of fbsplash

Status:	Closed	**Priority:**	Normal
Author:	jams	**Category:**	Packages: Core
Created:	11/21/2012	**Assignee:**	jams
Updated:	11/21/2012	**Due date:**	
Description:	Fbsplash in R8 fails to completely hide the boot process and is rather flashy. During boot it tends to flip between text and the image. Plymouth succeeds where fbsplash does not.

- *Status changed from In Progress to Closed*

plymouth-linhes-logo will be the default theme when it's installed. Otherwise it falls back to the arch themes installed with plymouth.
